Objective

To obtain a position that will enable me to use my strong product development skills, and ability to work well with people.

Education

- 2015–present **M.Sc Software Engineering**, *Chalmers University of Technology*, Gothenburg.
Expected B.Sc 2018
The primary focus of the curriculum is developing software, and to learn about product development processes within companies.
- 2014–2015 **Bachelor in Legal Science (LL.B.)**, *Faculty of Law at Lund University*, Lund, .
Completed 45 credits.

Experience

Vocational

- 2017–present **Consultant (part-time)**, *Younicon Studio*, Gothenburg.
Younicon studio is an incubator who besides helping and guiding start-ups also let their incubees work part-time as consultants in interesting projects for well-known companies. Currently building my own start-up, while helping out an oil company with their web app.
- 2016–present **Consultant (part-time)**, *We Know IT Sweden AB*, Gothenburg.
As a consultant you work with developing applications and websites for businesses. You also have to handle customer relations and project management in the projects which you are involved with.
Detailed achievements:
 - Central You: a "travel planner"-app using public APIs.
 - An app for projecting data found in excel forms as diagrams.
 - A web app showing the results of facebook ads.
- 2011–present **App and website developer**, *self-employed*, Gothenburg.
Since 2011 developed applications and websites for businesses(e.g. a parking app) and for personal fulfillment.
Detailed achievements:
 - More than 70,000 downloads on Appstore. Search for "Albin Bååw".

Voluntary work

- 2015–present **Co-founder**, *EventAppen*, Gothenburg.
EventAppen is an app with the goal of gathering all the events at Chalmers' university in one place, download links and more can be found at studentchalmers.com.

2016–2017 **Chairman**, *NollKIT*, Gothenburg.

NollKIT is the reception committee for the software engineering students at Chalmers. They are responsible for that 130 newly accepted students and 100 volunteers are welcomed the first four weeks of their first year. As chairman you're responsible for the committee's operations and represent the committee outwards.

2015–2015 **Member**, *Göteborgs Nations Sexmästeri*, Lund.

As a member of the "sexmästeri" you work at the organisation's night club, as member you are responsible for 30 other volunteers and that up to 700 guests enjoy the evening.
